Description:

Position calls for an individual who is passionate about Jesus, youth discipleship, and the church. Relational ministry is key for all aspects of position. Our Lady of the Wayside has a well-developed high school youth ministry centering around an active peer ministry component (small group faith sharing/formation), teen leadership (core), service throughout year as well as summer mission trip, and teen liturgical ministries including weekly Teen Ministered Mass. Kairos is also a strong component of the ministry. At present, Jr. High Ministry focuses on weekly 7th & 8th grade gatherings, monthly service projects and middle school age summer camp involving the formation of teen counselors. Participation in the parish middle school is also involved in this wonderful opportunity. A dedicated core of adult volunteers is well established. Collaboration with other parish youth ministers is essential for both Kairos and the summer camp.
