***Have you ever heard of a miracle happening?***

***Do you believe in miracles?***

***Do you believe God still answers prayers in today's world?***

Come hear the miraculous testimony of Colleen & John Willard. They will share their anointed testimony that has been received in many parishes and media throughout the world, witnessing to the "Great Mercy of God and His Healing Presence of Jesus in the Holy Eucharist."

Colleen was diagnosed with an inoperable brain tumor and in pain 24 hours a day. You will be captivated to hear the movements of the Holy Spirit and Our Blessed Mother's intercession as they were led to take a pilgrimage where Colleen was then physically healed by Jesus upon receiving the Holy Eucharist. It is a talk that will bring a profound awareness to the fruits of suffering and joy in carrying the Cross. It's a testimony you will never forget.....We hope you and your family can join us.
