

# Fund the Future!

WILL YOU HELP OUR WAYSIDE TEENS GROW IN THEIR RELATIONSHIP WITH GOD?

As you may know, the teens (the present *and future* of our church!) are very involved in OLW's parish & youth ministry events. We offer multiple big events for our youth and many of these events require money from each teen. **We don't want to stifle our teens' desire to learn more about God just because they may not be able to afford registration fees!**

This February, our parish will join with St. Colette's and St. John the Evangelist to host Kairos – a 4-day retreat that offers an opportunity for our teens to grow in their spiritual lives, experience God in new ways, and learn more about who they are and who God is calling them to be. The Kairos experience has changed many teen's lives in our parish and all over the world. It is a powerful, moving retreat that allows teens to momentarily escape their world and be engulfed in the beauty of Catholicism.

The Kairos retreat costs **\$240** per teen. Please prayerfully consider donating to the Kairos fund so that our teens can experience the life changing experience that is Kairos!  
**Any amount helps!**

## CONNECT

If you can donate, we encourage you to also give us your information so that a teen can personally connect with you and thank you for your donation & your willingness to support their faith. If you would rather remain anonymous, that is okay too! Simply check the "I would like to remain anonymous" box below.
