

Building *for* Hope

Action #1

Support

Shelter

Stability

Journeys/The Road Home is a non-profit agency that provides shelter, social services and housing to the homeless and those at risk of becoming homeless in 37 towns in North/Northwest suburban Cook County. To increase their capacity to accommodate the growing demand for emergency and ongoing assistance throughout the region, the agency has launched its Building for Hope capital campaign to construct a year-round, 24-hour, comprehensive two-story facility so their clients will receive on-site critical supportive services, shelter and permanent housing.

The current 8,000 square foot facility and parking lot at 1140 E. Northwest Highway in Palatine will become a two-story, year-round fixed shelter site, clinical service day center and affordable housing purveyor for the homeless.

The new 24-hour facility will include:

1st floor: Supportive services center for long-term case management, primary healthcare, substance abuse development, ongoing food assistance & more

2nd floor: Year-round shelter site with separate accommodations for men, women & families and onsite permanent affordable apartment units

Become a valued partner to end homelessness in the Northwest Suburbs of Cook County.

Be part of a lasting legacy and support Building for HOPE.

Engraved bricks will be laid on the patio and walkway.
