

We invite you to join us again this year in making a difference for over 300 individuals and families from St. Mark Parish who are in such great need. This year the families are struggling even more and the need for warm clothes and food continues.

Due to restrictions currently in place regarding social distancing and health safety precautions being followed during this Covid19 Pandemic, we are again structuring our Giving Tree a bit differently. There will be one tree in the back of church to pick up envelopes. The slip inside the envelope allows the opportunity to choose the recipient and the amount of your gift. Please simply take an envelope... or 2.

If you prefer, please use the slip below, designate the amount of your gift and your preference (Children, Adults and Family Groceries). We ask that you return your gift in an envelope and drop it in the red boxes at the back of church or in the vestibule of the Parish Office. As in past years we will purchase gift cards through our school program.

The final date for gift return is December 5, 2021. This allows time for our gifts to be delivered to and distributed at St. Mark's. Thank you for joining us in this beautiful expression of the Christmas Spirit.
